TERMS AND CONDITIONS

- A. Contract activated upon receipt of payment.
- B. Service renewals are due on the first of the month. A \$25.00 late fee will apply to any renewal, repair, or supply invoice if not paid within 14 days of submission.
- C. Spa service will be canceled if renewal invoice is not paid within 30 days after the first day of the month.
- D. Prices listed are for small spa with only one filter. Spas with more than one filter are subject to an additional charge of \$5.00 per filter on a full spa service.
- E. Full service, Dump/Scrub, will be performed as needed even if done once already during a three-month period and billed in addition to contract amount.
- F. Filters, mineral sticks, bromine tablets, and dispensers will be replaced as needed and invoiced additionally.
- G. Chemicals used during service visits are included in the contract. This does not include major sanitizer (bromine) or other chemicals needed by user between service visits.
- H. Extreme weather conditions do sometimes slow down the servicing process beyond our control. Service customers are expected to help by providing snow removal to assure adequate parking and access to tub and equipment. - I. All necessary keys and/or alarm codes must be provided before service will be started.
